

Empowering Every Ontarian to Drive Change

Who we are

The Ontario Climate Emergency Campaign is a non-partisan campaign promoting awareness on the climate emergency & environmental issues.

What you can do

Take the Pledge

Go to our website and learn more about the climate emergency and commit to be a climate citizen.

Spread the Word

We need as many people as possible working on climate action. OCEC will help you engage and work with leaders to take the necessary steps now!

Press Politicians

We need our political leaders to start taking real, meaningful climate action. Accept no less from government as there has never been more at stake for all of us.

Climate Action Plan

The OCEC has developed the Climate Action Plan to harness our collective energy to achieve our critical climate targets.

Together we can make our next government accountable. Together we can secure a livable planet for the future.

1 Set binding climate targets based on science & justice consistent with global efforts to limit planetary heating to 1.5°

2 Prioritize & respect Indigenous sovereignty & autonomy

3 Invest in a thriving, regenerative, zero emissions economy

4 End all fossil fuel subsidies immediately & rapidly wind down all fossil fuel use

5 Prioritize public health: the climate crisis is our single greatest public health crisis & threat

6 Accelerate the transition to zero emission buildings

7 Accelerate the transition to zero emissions transportation & ensure ongoing sustainable community development

8 Urgently protect natural biodiversity

9 Invest in local, organic, regenerative agriculture & food systems

10 Institute a broad public education campaign: we have the right to know what's at stake

11 Reinstate an independent office of the Environmental Commissioner

12 Leave no one behind
